

# Quartz Single Gang 1-Switch

## Technical Specification: Electrical

|                                 |            |        |
|---------------------------------|------------|--------|
| Contact Material:               |            | Silver |
| Switch Voltage Max:             | <b>VDC</b> | 48     |
| Switch Voltage Min:             | <b>VDC</b> | 4V     |
| Switching Current Max:          | <b>mA</b>  | 125    |
| Rated Breaking Capacity:        | <b>W</b>   | 0.72   |
| Initial Contact Resistance New: | <b>mΩ</b>  | <50    |
| Contact Bounce:                 | <b>ms</b>  | <5     |

## Technical Specification: Mechanical

|                       |           |                            |
|-----------------------|-----------|----------------------------|
| Actuating Force:      | <b>N</b>  | 3.7                        |
| Contact Travel:       | <b>Mm</b> | 0.4                        |
| Degree of Protection: | <b>IP</b> | 40 Front side<br>65 Switch |

## Technical Specification: Climatic Data

|                               |           |     |
|-------------------------------|-----------|-----|
| Operating/Storage Temperature | <b>°C</b> | -85 |
|-------------------------------|-----------|-----|

**Order Code:** QSG1SBW
